SUMMER LEARNING JUNE & JULY 2024

SUMMER LEARNING SNEAK PEEK!

We've planned an adventure-themed Summer Learning Program for the community this year! The two month program runs this June and July and will feature live animal visits, weekly programs for all ages, and an outdoor movie! There will be storytimes for the youngest participants, weekly STEAM programs for kids, and weekly tabletop gaming for teens. Animal visits include reptiles, Wolfwood, agility and scent-work dogs, horses, and more! Adult events include a beginning fly fishing class, salve making, an intro to archeology program, kitten yoga, basic bike maintenance, intro to Spanish and genealogy classes, and more! And of course there will be prizes! Participants will get an entry to drawings for every activity they complete, including attending a program, committing an act of kindness, going on an adventure, completing the StoryWalk, and of course, reading a book!

Everyone is invited to our kickoff signup "carnival" on Friday, May 31 from 1-3 PM in the Library Park. (See next page for full details) You can also register at the library or online starting May 15th!

For more information visit

Local artists of all ages and all mediums are invited to submit samples of their work to be considered for inclusion in the Pine River Library Fall Community Art Show, which will run from July to September of this year. Two dimensional pieces must be framed or professionally mounted, and there is also space available for 3D pieces as well.
