

Pine River Public Library District

Library Grounds and Parking Lot Policy

The library grounds are provided for public use and enjoyment. They include the lot the library is situated on, the community garden to the East of the property, and the library parking lot. The park to the West of the library is leased to and managed by the Town of Bayfield.

People using the outdoor areas of the library are expected to abide by all State and Federal laws as well as the Library's Code of Conduct. Those unwilling to do so may be asked to leave. Illegal behavior will be reported to law enforcement.

The library parking lot is provided primarily for library users and staff. Others are welcome to park in the lot as space allows. No overnight parking is allowed. Vehicles that are left overnight may be towed at the owner's expense.

Overnight sleeping, camping, or habitation in a vehicle parked in the parking lot, or on any part of the property administered by the Pine River Public Library Board of Trustees, is prohibited.

The Library Director may permit short-term exceptions to the basic use policy.
